Membership Benefits

4 Maintenance Visits Per Year
Technicians come out four times a year to ensure your heating, cooling, plumbing, and electrical systems are in proper operating condition.

Priority Service
Member calls are scheduled ahead of non-member calls. This applies to both routine and emergency services.

Save $50 On Every Service Call Fee
Members automatically receive a $50 discount each and every time a technician or plumber arrives on a service call, day or night.

Save On Repairs, IAQ, & Proactive Maintenance
Members receive 15% off all repairs and accessories, like filters and scrubbers, up to $200.

Whole Home Safety Inspection
Membership includes a complete Whole Home Safety inspection on heating, cooling, plumbing, and electrical.

Family Discount
Refer any family member or friend and they'll receive a free safety inspection. (Limited to one visit per household.)

Extended Warranty
All repairs include a 3-year parts and labor warranty with continuous program enrollment and regular system maintenance. (Must be installed by McClaren.)

Call McClaren for Total Home Care!

$260.00 Annually

Tax Not Included

*If membership is canceled before the completion of the annual term, customer is responsible for the received discounted savings.

Our Guarantees

Comfort Guarantee
We guarantee the system that we installed in your home will operate as we have stated. If the system does not operate as we have stated, we will replace the system at no cost to you.

Protection Guarantee
All of your home property will be protected during our visit to your home. If any of your property is damaged, we will fix or replace the damage to your satisfaction. Rest assured your home will be respected.

No Surprise Guarantee
We offer no surprise pricing which means the quote you receive up front, is the price you'll be paying. You can rest easy knowing that there are no hidden fees or shocking numbers at the end of your job. Any additional work will be approved by the owner in writing before the work is started.

Peace of Mind
All of our technicians in your home are fully background checked and drug tested. Our technicians go through extensive training to bring you the level of experience you would expect.
